

EXPERTS FOR GROWTH

**EasyGreen Mini**  
Specialty fine grade mineral fertilizer  
for turf

## EasyGreen Mini – Fine granule size for high value turf

Two NPK fine grade formulas designed for fairways, soccer pitches and other valuable turf fertilization requiring immediate nutrient supply.

- 1 g EasyGreen Mini = approx. 100 granules
- 8 times smaller granules than conventional NPK fertilizers
- NPK fine grade fertilizer (1.0 – 2.5 mm)
- All nutrients in one granule
- Including vital micronutrients

Granule distribution – EasyGreen Mini grade

Conventional grade; 20 g/m<sup>2</sup> = 125 granules

EasyGreen Mini grade; 20 g/m<sup>2</sup> = 2,000 granules

## High profile fine grade turf fertilizer

### Advantages

High quality fine grades

- Better sward penetration and therefore less scorching
- Optimal spreading
- Less visibility of applied product
- Quick dissolving after first irrigation

All nutrients in each granule

- Each granule contains macro and trace elements
- No segregation of nutrients inside the bag

Safe and efficient product application

- Suitable for reduced application rates in fairways
- No fertilizer collection by mowing equipment

High quality of raw materials

- All nutrients are fully available to plants
- No urea and virtually free of chloride

### Recommended application

Fairways/Lawns

- 2 – 3 applications per year

Football and Sport Fields

- 2 – 5 applications per year

### EasyGreen Mini grade

## General recommendations

Product	Dosage (g/m <sup>2</sup> or kg/1,000 m <sup>2</sup> )	Time of application
EasyGreen Mini 21	20–35 (1–3 applications per year)	spring, summer
EasyGreen Mini 12	20–35 (1–3 applications per year)	autumn, hot summer

## EasyGreen Mini product range

Product	Composition	Characteristics	Packaging
EasyGreen Mini 12	12-12-17 (+2+21) + 0.02% B + 0.06% Fe + 0.01% Zn	<ul style="list-style-type: none"> <li>– NPK compound fertilizer for fairways and low cut turf</li> <li>– Fine grading (1.0–2.5 mm) for ideal sward penetration</li> <li>– High Potassium against stress (cold, wet, dry conditions)</li> </ul>	Bag: 25 kg  Pallet size: 42 x 25 kg  Container 21': 20 x 1,050 kg
EasyGreen Mini 21	21-5-10 (+3+15) + 0.02% B + 0.3% Fe + 0.02% Zn	<ul style="list-style-type: none"> <li>– NPK compound fertilizer for fairways and low cut turf</li> <li>– Fine grading (1.0–2.5 mm) for ideal sward penetration</li> <li>– High Nitrogen for spring use</li> </ul>	Bag: 25 kg  Pallet size: 42 x 25 kg  Container 21': 20 x 1,050 kg
